**Annexure-I**

**Explanatory Statement in Pursuance of Section 102 of the Companies Act, 2013**

**Item No. – 1 & 2**

Member may note that in order to facilitate expansion of the Company and raising of fund through IPO it is necessary to change the status of the Company from 'Private Limited' to 'Public Limited Company'. The conversion of the Company into a public limited company will require amendment in the Name Clause of the Memorandum of Association of the Company as the name of the Company will change from “**Vardhman Airport Solutions Private Limited**” to “**Vardhman Airport Solutions Limited**”.

As per Section 13 and other applicable provisions of the Companies Act, 2013 read with relevant Rule the consent of the members by way of special resolution is required in amendment in the Name Clause of the Memorandum of Association of the Company.

The Board has approved the amendment at its meeting held on 26<sup>th</sup> March, 2025, subject to the approval of the Members and other regulates authorities.

Accordingly, the approval at the members of the Companies sought the Resolution as set out at Item no. 01 of the notice by way of special resolution.

*None of the Directors / key managerial persons of the Company or their relatives are interested, financially or otherwise, in the aforesaid resolution.*

**Item No. 03**

Members are informed that the Company was incorporated under the provisions of the Companies Act, 2013 as a private company. Hence the existing Articles of Association (AOA) were based on the restrictions and exemptions available to the private company.

Further upon conversion of the Company into the public company, several regulations of the existing AOA of the Company require alteration or deletions at several places. Thus, it is considered expedient to adopt new set Articles of Association (primarily based on Table F set out under the Companies Act, 2013), in place of existing Articles of Association of the Company instead of amending the Articles of Association by alteration/incorporation of the provisions of the Companies Act, 2013 applicable to a public limited company.

As per Section 14 and applicable provisions of the Companies Act, 2013, read with relevant rules, the consent of the members by way of special resolution is required for adoption of new set of Articles of Association of the Company.
